## Personal Care Services

## Tailoring helpful services to your needs

VNS Personal Care Services (PCS) is a home care and personal assistance agency. We provide trained, insured, and bonded caregivers for a variety of needs. Whether it's for extra assistance after a stay in the hospital, an aging parent who needs some help or companionship to remain in their home, or as a respite for the husband or wife who cares for an ailing spouse, VNS Personal Care Services can help.

Our services are highly personalized and flexible. We provide the services you want when you need them the most. We can provide care from as little as a few hours to 24-hours a day. We'll be there to help.

And, we don't forget the personal touches that are so important. We offer a professional attitude, a bright smile, and the willingness to go the extra mile to reassure you and your loved one that we are committed to improving the quality of health and lives of our patients and community.

## Convenient, Caring Services

### Same Day Surgery

Our Same Day Surgery Program includes transporting patients to and from the surgery facility, preparing meals, picking up prescriptions and assisting with personal care as needed.

### Mother's Helpers

Being a new mother can sometimes be overwhelming... adjusting to a new schedule ... worrying over the new little one... and, on top of that there are many other regular responsibilities a mom has.

Let our **trained Mother's Helpers** assist in making that transition time a little easier. Choose to have our helpers take care of daily tasks such as housekeeping and running errands while mom enjoys quality time with the baby; or, our helper can watch the baby while mom takes a much-needed rest. Our Mother's Helpers are Infant CPR certified and background checked.

Mother's Helpers are the answer to all your new mom needs.

## Free In-Home Assessment

PCS provides an in-home assessment by a **skilled RN**. During the assessment, we will fully explain the services available and answer any questions you may have.

Matters covered in the assessment may include:

- Matching appropriate caregiver
- Daily routines
- Emergency response
- Health and medical issues
- Nutritional issues
- Home cleaning and safety needs
- Transportation needs
- Service fees
- Answering any questions
